Object: Update Restrictions Coronavirus

Dear Customer/Supplier,

following the latest news relating to the additional that the Italian government is organizing to counter the spread of Coronavirus, company Eurotrol is taking the related steps to try to guarantee the full operation of the company.

Given that is our duty to comply with the prescriptions and obligations to which our geographical areas must submit, at the same time we will do our best to guarantee to all **Customer the continuity of services** in relation to the new temporary needs that the territorial economic system requires.

In this regard, we would like to point out to you that the Management and all our collaborators are demonstrating a considerable commitment so that the production activities of our company do not stop and in any case we will take care of keeping you informed in the event of any changes in the operational activities in the coming days.

We also remind you that in order to comply with the ministerial indications, everyone is asked to avoid visits to our company and that this countermeasure will be reciprocal by our collaborators towards you, any case of extreme necessity of visit will be agreed and appropriately treated.
